The American Flag

"Every country has a flag or emblem. It stands for the government of the country. When the country is a democracy, the flag reminds us of the events which made its people free and independent. In America our flag stands for a government for the people and by the people. It stands for every person who loves his country and works to make it great and noble.

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands; one Nation indivisible, with liberty and justice for all."

DEDICATION

Today when liberty and the pursuit of happiness are being denied to a large portion of the peoples of the world, when man is rapidly losing his entity as an individual and becoming a mere puppet of the State, and when democracy as a way of life is fighting for its very existence, we the youth of America turn our thoughts almost reverently to the ideal of our country, dedicated to liberty and the brotherhood of man. There comes to us now a new and deeper sense of appreciation of all that our great country stands for and we humbly dedicate this book and our lives to the great principles upon which our country is founded.

MAINTENANCE STAFF

This little bit is to show our appreciation for the fine services rendered to us this year. We want to thank them for keeping the building clean and respectable all year and for the work they do during the summer. Also for working at the basketball games, dances, and other outside activities. Most of the students do not realize the value of their work, or they wouldn't throw things around the way they do. Our thanks and appreciation is extended to them.

SENIOR CLASS

At the outset of the year, the class was definitely in favor of a trip, but due to financial shortage, agreed to have a banquet and dance instead. This was a lavish affair, and was held at the Heatherdowns Country Club.

A Ways and Means Committee was appointed to help John Volland, president, to facilitate class business.

A card party, sponsored by the Senior mothers, was a huge success.

A full length feature movie was sponsored by the seniors during school time.

The Christmas dance, due to the unusual decorations, proved to be one of the finest dances of the year.

The Interclass Tournaments were sponsored and directed by the Seniors.

The Ghost Basketball game proved to be the most unusual and thrilling money maker of the year.

The Senior's convocation was presented on "Senior's Day," and was outstanding in originality.

In extra-curricular activities, many have left behind them excellent records. Among

these active leaders are Albert Tompkins, president of the Hi-Y; Hazel Baker, president of the Girl Reserves; Janet Wilson, president of the Boosters' Club; and Martha Grimes, president of the G. A. A.

Drum Majorette Betty Hufford added pep to the band. Richard Else and Suzanne Rogers were outstanding in dramatics. Hilda Schuele and Ruth Perrin well represented the Journalism class as well as being talented art students.

The class began social activities with a roast at Side Cut Park. Later, they sponsored a movie at the Palace Theatre. The senior play, "Spring Dance" was presented May 23 and was considered a great success. The Seniors considered this a fine way to close the sojourn of one of the most unusual Senior classes ever to leave P. H. S.

There were three members of the class to leave for various parts of the country before graduation. Louis Vislay joined the navy; Donald Byington moved to New York; Vernon Ambrosier left for the South.

Miss Berg and Mr. Golding were class advisors.

CLASS REUNION DAY

Five years from Commencement Day, May 29, the Seniors plan to return to the high school to compare their ambitions with their achievements.

Who knows what we will be in '46 — "Doctor, Lawyer, Merchant, Chief, Richman, Poorman, Beggarman, Thief?"

Let's all come back to P. H. S. to greet long missed school friends, and to tell our tales of woe and success.

JUNIOR CLASS

The Junior Class of 92 members was sponsored by Miss Suter and Mr. Abke.

The class began social activities with a picnic at Side-Cut Park. They also sponsored the annual Valentine Dance with Dick Hanselman and his 10 piece orchestra. Another dance followed just after the Maumee basketball game in January; the newly acquired record player furnished the music for this dance.

The theme of the Junior Convocation was the familiar radio Quiz Bee in which Junior Kuck presided as master of ceremonies.

A number of Juniors were outstanding in extra-curricular activities. Frank Kistler served as treasurer of the Boosters' Club, Junior Kuck as treasurer of the French Club and Dorothy Heilman as chaplain of the G. R. Club. Emch, Grolle, Scheider, Johnson, Kleeberger, Kistler, Brahier, Canfield, Failor, Cookson, Hillabrand, Loomis, Ignasiak, and Shipple were outstanding in athletics.

Those students outstanding in scholarship were Freda Lee, Rosaleen Sherburne, Bill Russell, James Kaltenmark, Paul Kleeberger, and Robert Reis.

SOPHOMORE CLASS

The 108 sophomores have shown their ability in social activities, sports, scholarship, and music. They have done this under the dependable guidance of their class officers. The president was Jean Carsten; vice-president, Bob Eckel; secretary, Dick Kindervater; and treasurer, Don Thomas.

The sophomores were able to have several social activities which included a spring dance, a skating party, and an interesting convocation. They enjoyed a roast and dance at the Fort Meigs shelter house in the fall.

Kenneth Brossia, Dwight Burgess, Raymond Gloyd, and James Shiple were active members of the football team. In basketball, Bob Eckel, Bernard Haas, and Dwight Burgess were hard workers on the reserve team.

Several students were outstanding in scholarship and went to Bowling Green to compete with other students of Ohio.

Dick Kindervater played in the orchestra. Lawrence Schramm, Bill Sanders, Charles Hess, and Dick Kindervater helped make our P. H. S. band peppy. The Glee Clubs were well represented by many sophomores.

Bob Logee was considered the best salesman in the annual magazine campaign.

The sophomore advisors were Miss Brentlinger and Mr. Barber.

FRESHMAN CLASS

The Freshman Class of 134 members that entered high school in the autumn of 1940 was larger than in the past. With the help of their home room supervisors, Miss Crockett, Miss Huffman, and Mr. Huffman, and under the leadership of Georgiana Freeman, they had a very successful year.

R. Cousino, R. Reis, A. Sattler, V. Wambold, D. Garvey, and J. Henry were the outstanding freshmen football stars. Those freshmen who won positions on the reserve basketball team were W. Scheider, V. Wambold, H. Kopp, G. Smith, C. Kopp, and N. Best.

Margaret Hoffman, Betty Jay, Barbara McAuley, and Marjorie Myers made up the cheerleader squad. Charles Kopp, acting as drum major, showed his ability for leadership. David Garvey was elected president of Latin Club I.

The Freshman class this year contained a large group of students who were outstanding in scholarship. Those ranking highest were John Caldwell, David Garvey, N. Hascall, M. Johnson, B. McAuley, G. Reetz, C. Schramm, H. Roether, J. Sweet, and M. Thornton.

The class had a large variety of talent, which was displayed in their unique convocation. Their talents ranged from tumbling and tap dancing to piano and harmonica playing.

At the beginning of the year, the class held a roast at Side Cut Park and a closed party in January.

The band is superior to that of any other year, as the instrumentation has been greatly improved and completely balanced. The band will lose only four members through graduation. It is looking forward to as excellent a future as it has had this year.

The band has played at many of the school games and social functions; it also gave an excellent spring concert.

Mr. Farmer greatly deserves the credit he has received for building up and completing this unit.

The cheer-leaders are selected by the Boosters' Club officers.

This group sponsored the Homecoming Dance after the Maumee game and the Athletic Banquet and Dance at the close of the football and basketball seasons. The latter dance proved one of the finest of the year.

Scenes from "SEE MY LAWYER"

The Farmers' Institute play proved to be a very successful production this year. It was a side-splitting comedy in three acts. We wish to extend our thanks and praise to Mr. Barber for his excellent job of producing and arranging the play.

SENIOR PLAY

The light comedy, "Spring Dance," was chosen as the traditional presentation of the Senior Class.

It was presented during Commencement Week, and proved to be a success as one of the last activities of the year.

DRAMATICS

In spite of the fact that dramatics is excluded from our curriculum this year, it is still a very popular activity. The first project of Dramatics was "Why The Chimes Rang" presented at Christmas. It was followed by the annual Farmers' Institute play, "See My Lawyer." Both of these productions received a great deal of praise.

Mr. Barber is responsible for the great success of this year's dramatic contribution. He deserves all the thanks that have been extended to him in the past and that which he will receive in the future for his excellent directing.

This group of fine young people have sung in the choir all year. Their voices blend very beautifully together in choice hymns, classics, and various novelty pieces.

This is proved by their showing at the District Music Contest, held at Bowling Green.

They were qualified to enter the State Contest held at Columbus.

MUSIC CONTESTANTS

A number of talented P. H. S. students went to Ada April 4, to compete in the Northwestern District solo and ensemble competitive festival.

Those in the ensemble were Jean Wiechel, Laurie Orr, Ruth Laing, Virginia Garvey, Marilyn Johnson, and Gloria Ballantyne.

Those who competed in solo arts were Donald Parlette, playing the tuba; Herbert Roether, piano; Albert Tompkins, trombone.

The orchestra is a singular and interesting organization of Perrysburg High School. Unfortunately, it is not frequently given opportunity for performance. Its one appearance this year was at the Farmers' Institute Play in the high school auditorium where it performed between acts.

The chief functions of the organization are to determine readers of good music and to instill musical appreciation, as well as practice in production.

TEAM RECORD

DEFIANCE 13 PERRYSBURG 6

The Yellow Jackets started off the season by losing to the Defiance Bulldogs 13-6. Even though our boys were defeated, we hesitate to admit that our opponents were that much better than we were. Many of our boys were playing their first game and we believe had a slight case of the "jitters."

DELTA 7 PERRYSBURG 33

The Yellow Jackets played superb football for the entire game to defeat a good Delta eleven. Leon Davies received the opening kickoff and behind good blocking, ran seventy-five yards for a touchdown. From then on, the Jackets were unbeatable, and before the evening was over, touchdowns were made by Davies, Cousino, Elting, and Byington. The extra points were plunged over by Byington, Cousino, and Hahn.

When the score reached 27-0, in P. H. S.'s favor, a line of subs were sent in and then with the aid of a big penalty, Delta was able to push over their lone touchdown.

SYLVANIA 26 PERRYSBURG 6

Our boys just couldn't click during this game, and consequently took a beating from the big Sylvania boys. The Yellow Jackets had tough luck from the first play of the game and it was not until the last quarter that they were able to score.

GENOA 0 PERRYSBURG 6

The Jackets played a much better ball game than the preceding week to defeat the Genoa boys. Maybe they played better because of Dad's Day.

Davies was again the touchdown hero for he smashed over the left side of the line and raced twenty-five yards for the tally.

ROSSFORD 0 PERRYSBURG 14

With a large following from both schools, the Yellow Jackets scored twice in the first half to win one of their most important games of the year.

Davies, Semeniw, and Byington, did the scoring for our boys.

Only twice during the game was Rossford within Perry'sburg's twenty-yard line.

WHITMER 6 PERRYSBURG 0

The Jackets apparently had a let down and lost to a weaker Whitmer team. A few injuries from the preceding week somewhat hampered the local boys' play during the game.

BOWLING GREEN 6 PERRYSBURG 20

The Yellow Jackets played excellent inspired ball to defeat Bowling Green 20-6. This was the first time in thirty-six years that Perry'sburg had defeated the Bobcats. The fourth quarter found the Jackets in their best form of the season to score all of their three touchdowns.

NAPOLEON 6 PERRYSBURG 12

Playing under the lights at the up-river stadium, the Jackets defeated the strong Corporals 12-6. The game was played on even terms up until the final quarter when Paul Kopp intercepted a Napoleon lateral and ran it over for six points.

MAUMEE 6 PERRYSBURG 6

Armistice day brought to the close a very successful football season for both Maumee and Perry'sburg. This last game of the season was played on nearly even terms with Perry'sburg holding a slight edge. The end of the first half ended with Perry'sburg on Maumee's one yard line but no time was left for another play.

AMBROSIER, VERNON—Tackle

Not especially large but a very alert tackle who's favorite hobby is recovering any ball that we lose. His fighting spirit may be missed in another year.

FAILOR, ERVIN—Tackle

A good sized boy whose experience this year should make him a candidate for a regular lineman's position in another year.

IGNASIAK, FRANK—Guard

A small, but mighty, little guard who is considered one of the first replacements in the Varsity line.

Head Coach, Dale Kuhlman; Backfield Coach, Kenyon Golding; Faculty Mgr., Mr. Treece.

GURTZWEILER, LOWELL—Guard

Considering that this is his first year out for football we believe he did remarkably well at the game.

BROSSIA, KENNETH—Tackle

A well-built young lad who was transferred from an end to a tackle position because of his desire to be in the midst of the play.

LOOMIS, RUSSELL—End

A very fast young player who began improving very rapidly as the season progressed. His regular services may be needed in another year.

SHIPLE, PAUL—End

A very conscientious lineman who is small, but mighty and determined. His services will help greatly in another year.

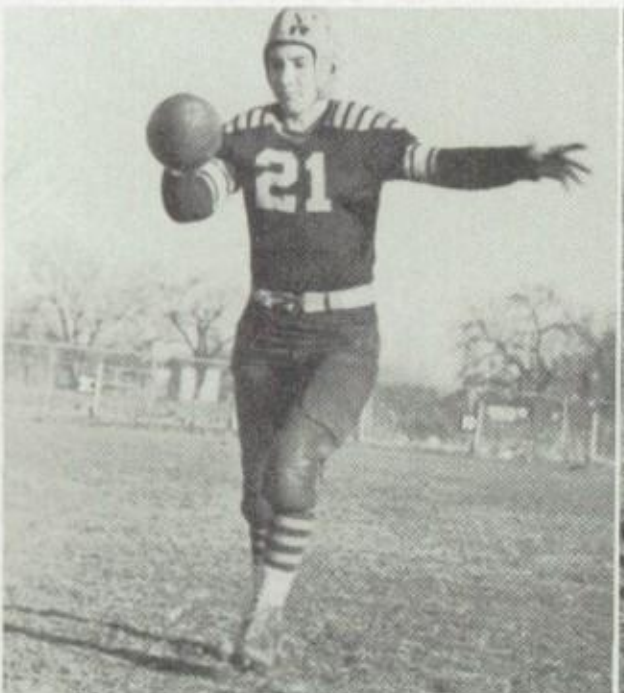

SEMEIOW, HARRY—Back

A very shifty, hard running back who has lots of natural athletic ability—has done more than his share to make this football season a success.

DAVIES, LEON—Back

One of the best open field runners to be seen in the vicinity in high school football. He has taken individual scoring honors with 52 points.

BURGESS, DWIGHT—Back

Only a Sophomore who is small in stature but mighty in power. His ability has kept the opponents backed up in their own territory most of the time.

KISTLER, FRANK—Guard

Frankie, the guard who led most of the running plays has developed into a good blocker which is indirectly responsible for the gains made by the backfield men.

COLLER, RAY—Tackle

"Chops" a comparatively new football enthusiast to come out this year and make for himself a starting berth during several important games.

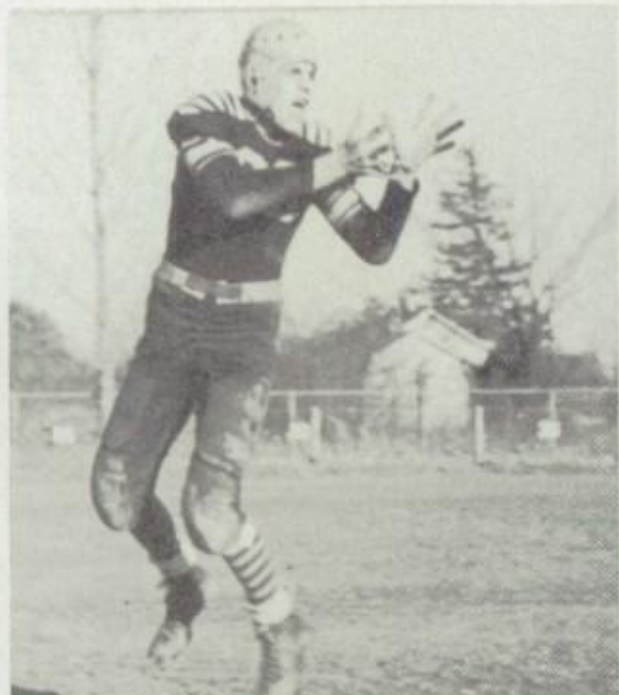

ELTING, BILL—End

A rugged, smart end who seldom lets ball carriers gain ground through his territory. A strong blocker and a better than average receiver.

BYINGTON, DON—Back

"Bing," the signal-caller on both offense and defense was one of the big reasons for the team's success. His fine competitive spirit will long be remembered.

KOPP, PAUL—End

Kopp's fine blocking and pass receiving, along with his ability to sense opponents' plays makes him one of the team's most valuable players.

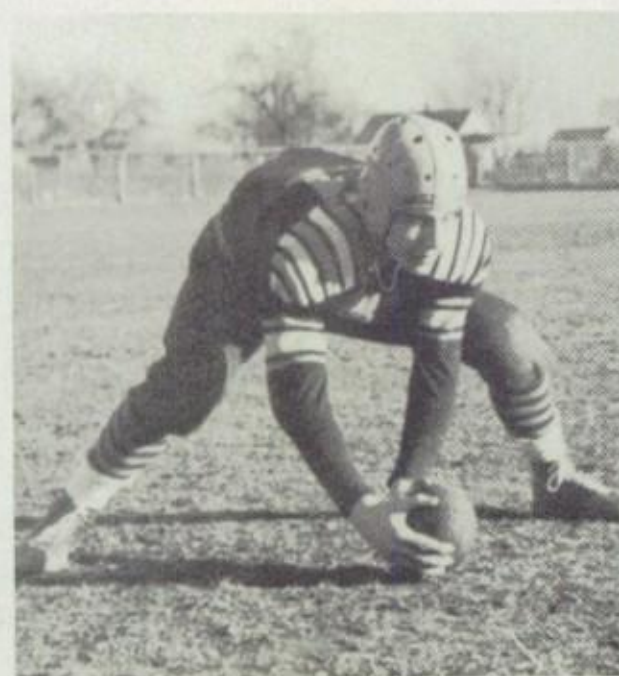

BUCKHOUT, DON—Tackle

Bucky's experience, fine spirit, and determination warranted his playing as first string tackle a great percent of the time.

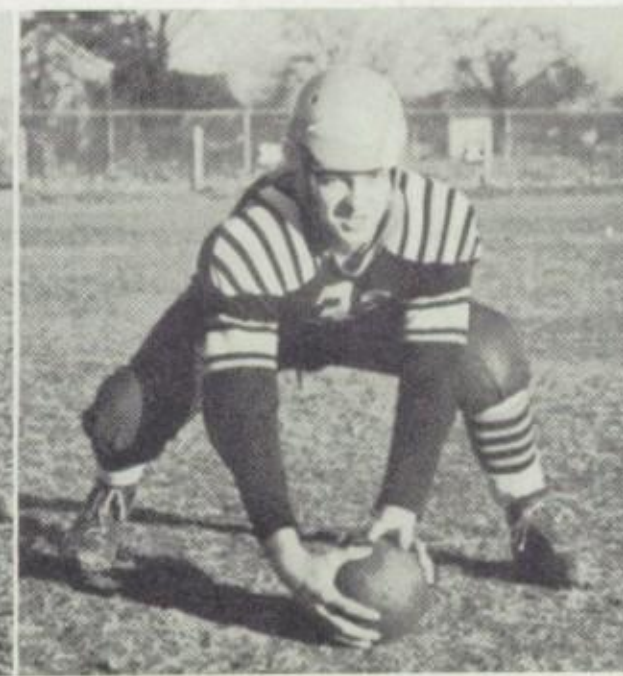

VISLAY, LOUIS—Guard

Probably the best defensive line-man on the team. Louis plays most of his game in the opponents' back-field.

REDMAN, BILL—Center

Although Bill is not a flashy player, he can be depended upon as the old reliable when the going gets tough.

LECKLIDER, JOE—Center

A very capable substitute for center on any line. His sincerity about football is ideal.

HENRY, JIM—End

A capable young end, who with this year's experience, should be of value to the team in another year.

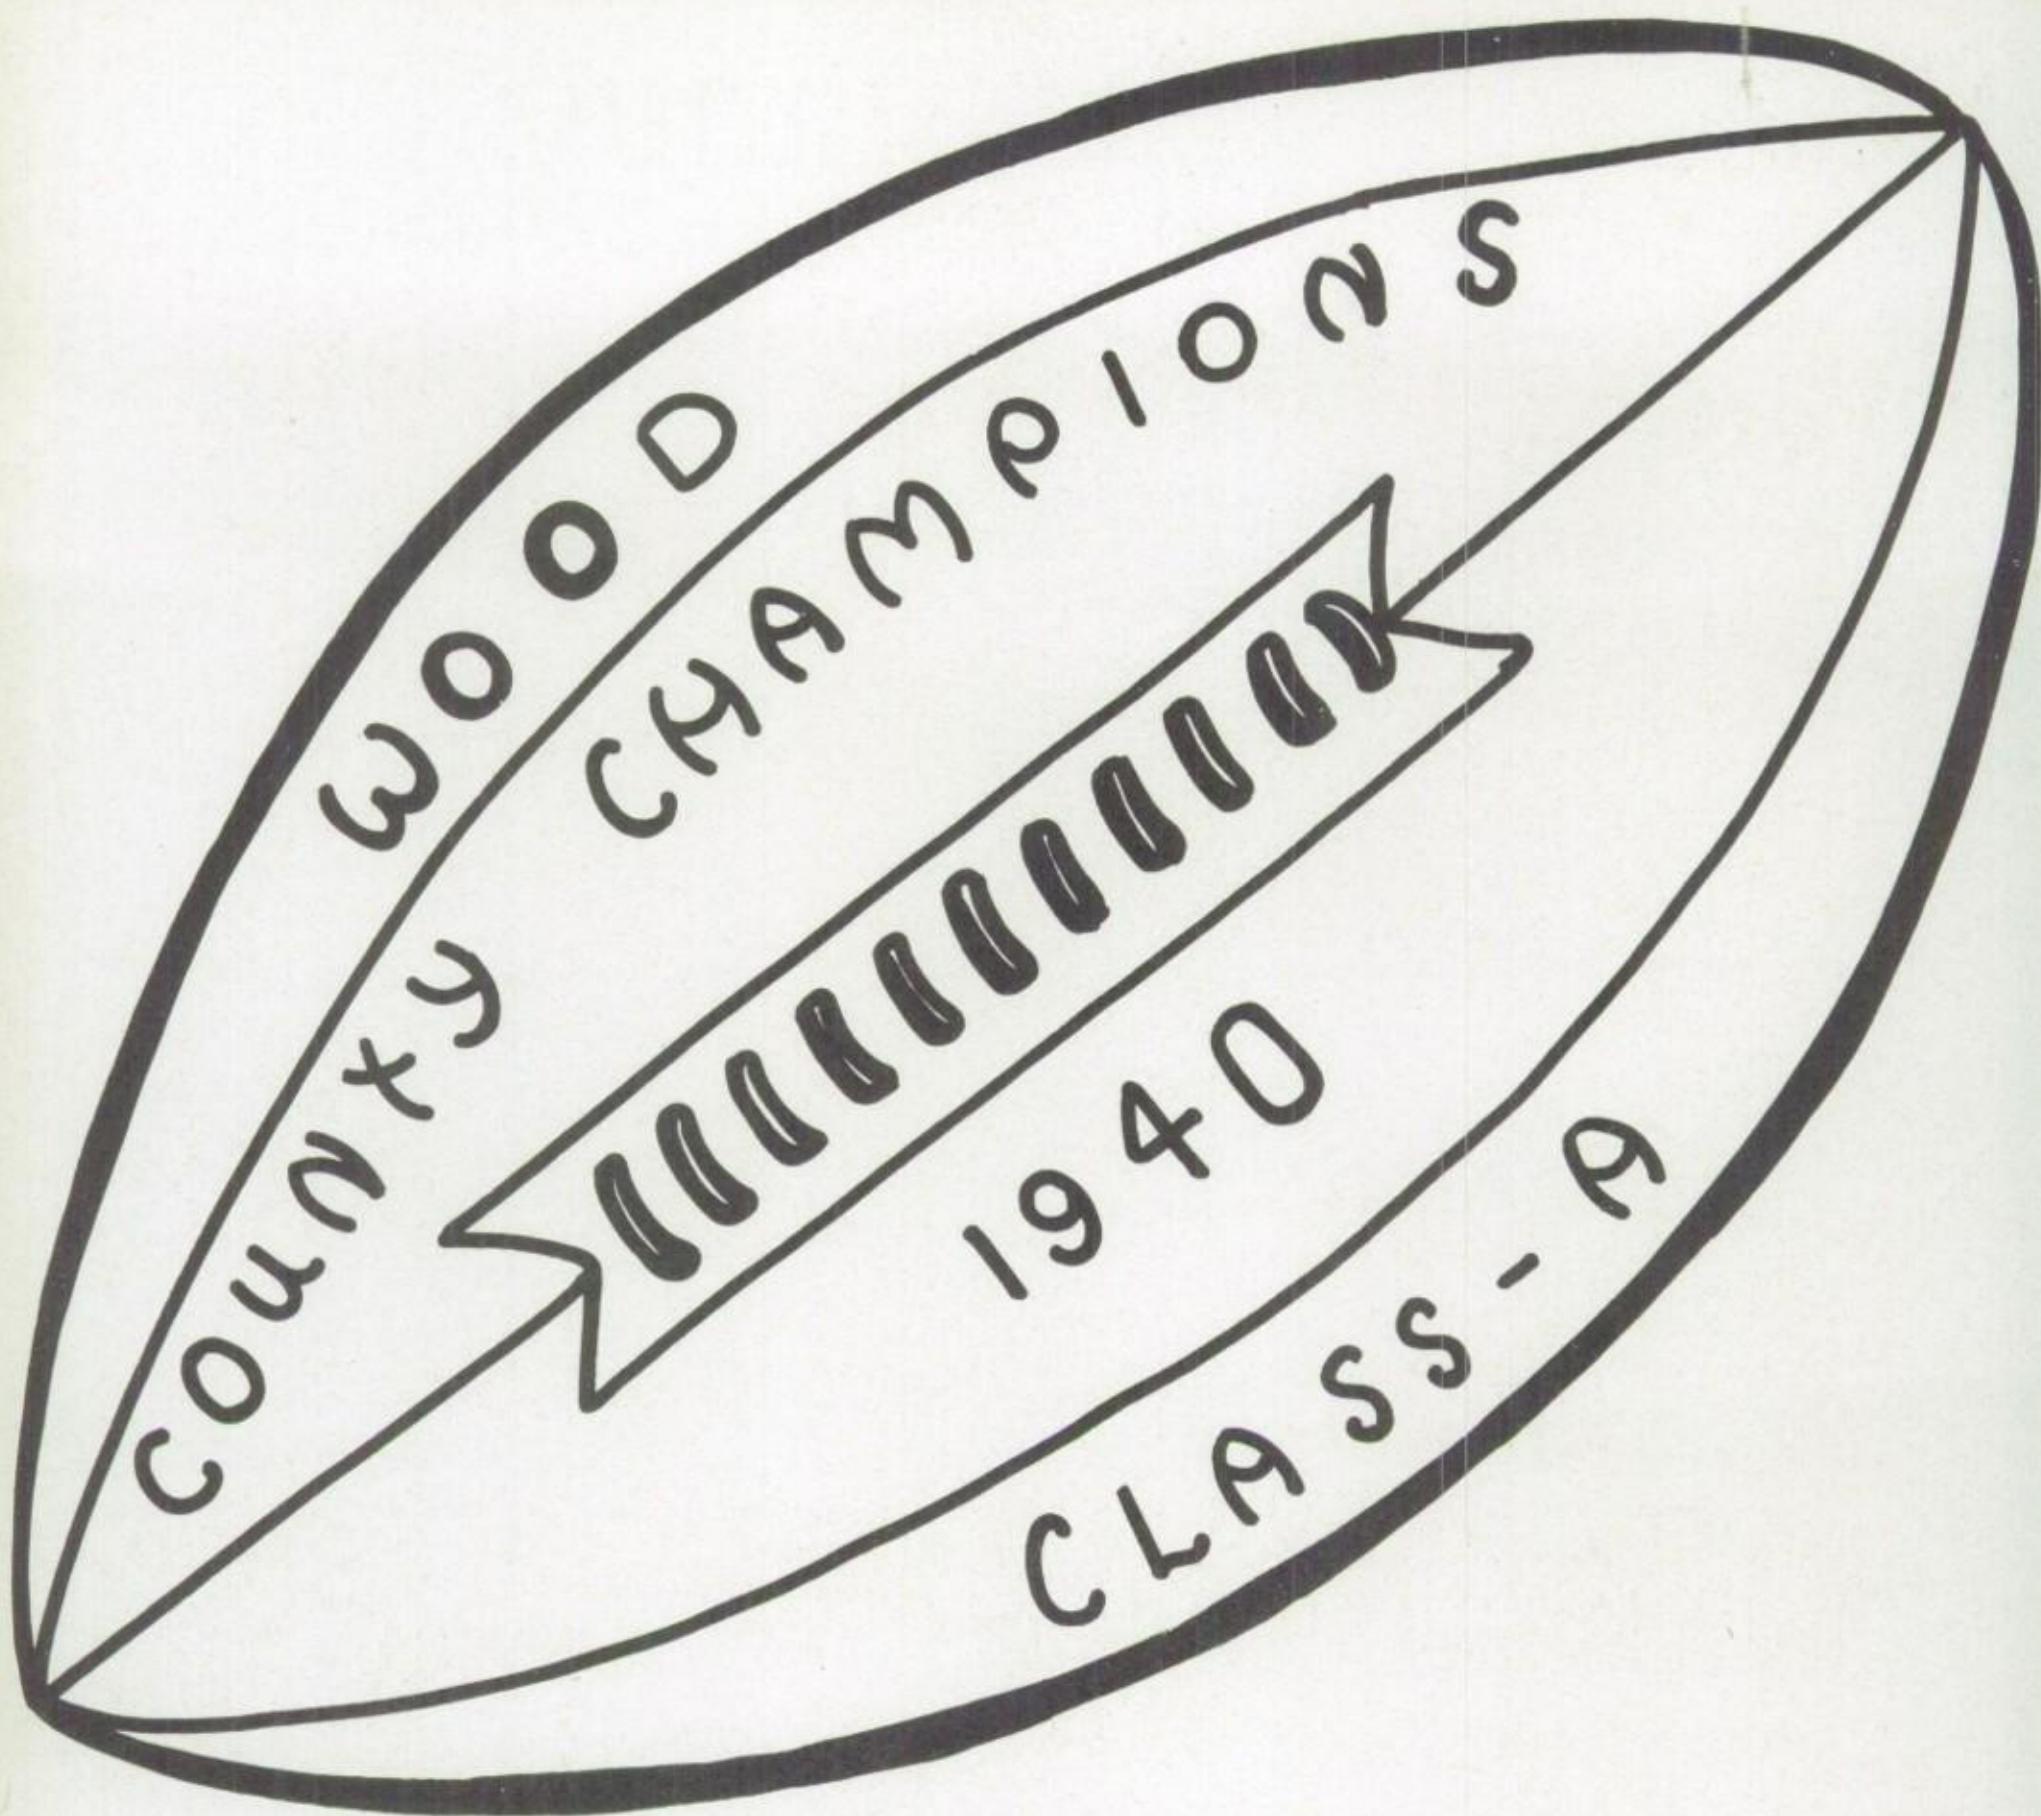

HAHN, JUNIOR—Back, End

The fine showing in practices warranted his starting several games as a blocking back. He has also proved very capable in playing an end position in several games.

COUSINO, ROBERT—Back

"Frog," a young backfield prospect who can kick, run, or pass the ball. This year's experience will greatly aid him in his next three years of high school football.

HATS OFF

The football team of Perrysburg High School this year was **one** of the best, if not **the** best in the history of our high school. For thirty-six years the local Yellow Jackets have tried to defeat the Bobcats of Bowling Green high, but their efforts have been in vain until this year, when our boys came through with a smashing 20-6 victory. Not only did they defeat the Bobcats but also another of their toughest opponents in past years did they crush, namely Rossford. By defeating these two schools very decisively they have been crowned "Undisputed Wood County Football Champions," a feat which never before had been accomplished by Perrysburg High School.

We are not only proud of our team because of their record of wins and losses but we believe they showed a good competitive spirit. We believe their fine sportsmanship should be mentioned. The

fine cooperation between the players themselves and between the players and Coaches Kuhlman and Golding is something that is rarely equalled. We are also quite proud of the suits furnished our heroes by the high school. Our teams not only played the best but were always the better dressed.

All in all little more could have been asked of the season. Everyone seems quite happy over the record, thanks especially to the boys and coaches of good old Perrysburg High.

It is with reluctance we admit that several of the boys are Seniors and will not be with us in another year. They are: Don Byington, Leon Davies, Paul Kopp, Harry Semeniw, Bill Elting, Bill Redman, Louis Vislay, Don Buckhout, Vernon Ambrosier, Raymond Collier, Junior Hahn, Joe Lecklider and Lowell Gurtzweiler.

We feel that our basketball season this year was a very successful one not only from the standpoint of wins and losses, but also we are proud of the fine competitive spirit, cooperation, and sportsmanship our boys displayed throughout the season. We were proud of our boys every time they went out on the floor to represent our school for they stood for our schools high ideals. At the conclusion of each game we were usually very well pleased with the score for the boys won the greater percentage of their games. They played especially well when the opponents were according to pre-game dope, supposed to have beaten them.

Never let it be said that our team gave up, for we recall several games that the boys won in the last quarter or in the last two or three minutes of the last quarter. We are thinking of the game played at the Toledo University field house when we defeated Libbey, the city champions, in the last three minutes.

The strong DeVilbiss and Maumee teams fell before our Yellow Jackets in nearly the same manner.

We would like to believe that the senior boys will not be missed in another year, but we are afraid that they will be.

We do not like to see such basketball players as Davies, Kopp, Grolle, Elting, Wolfe, and Kazmaier leave us, for these are the boys that were mainly responsible for the successful season.

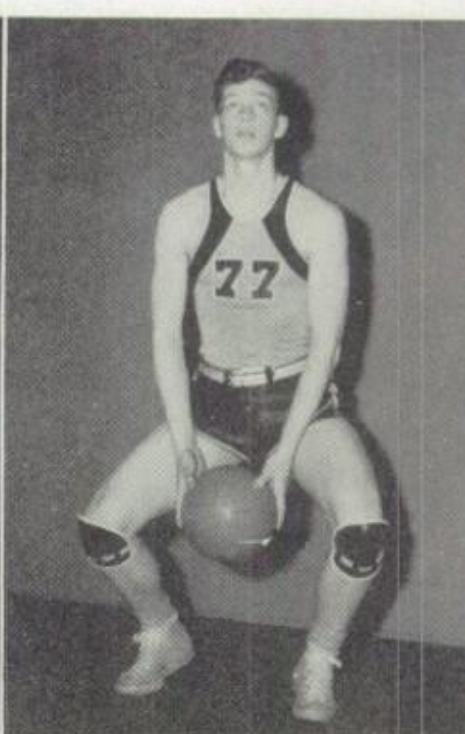

KOPP—Forward

Koppie played a regular forward throughout the year. His being high scorer for the year with 165 points shows that he was one of our most valuable men.

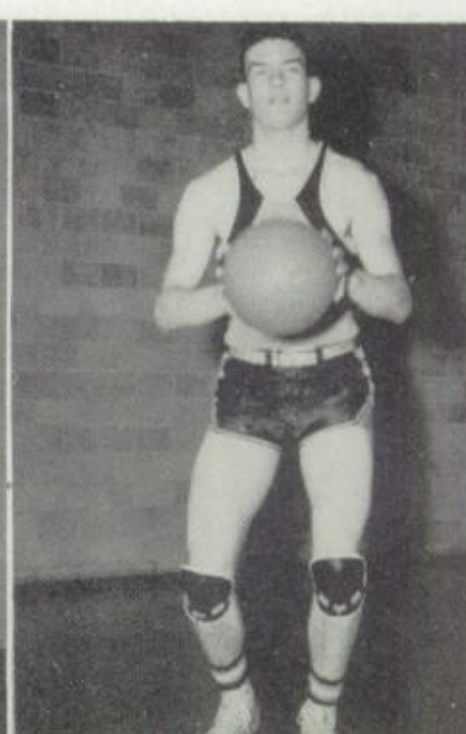

DAVIES—Guard

A very clever and speedy guard. He was a good long shot artist and his ability to hold his opponent to a few points was uncanny.

ELTING—Center

A big sturdy lad who in many games proved to be the spark plug of the team. His ability to get the ball off the board was an asset.

**GROLLE—Guard
Captain**

A very sincere, hardworking player with a fine competitive spirit. It was because of this that he developed into one of our most valuable players.

VARSITY

WOLFE—Guard

A small but mighty and fast floor man. His speed and good ball handling was a determining factor in many games.

KAZMAIER—Forward

Although he was not a regular starter, on the varsity, he did prove to be good when needed.

LOOMIS—Forward

Russ is the only underclassman on the squad who earned a varsity award. His being a very fast floorman and his ability to shoot accurately with either hand was important.

EMCH—Forward

A fine Junior performer who has great possibilities as a future player.

Front Row—P. Kleeberger, B. Haas, D. Schieder, V. Emch, D. Burgess, R. Eckel, C. Kopp.

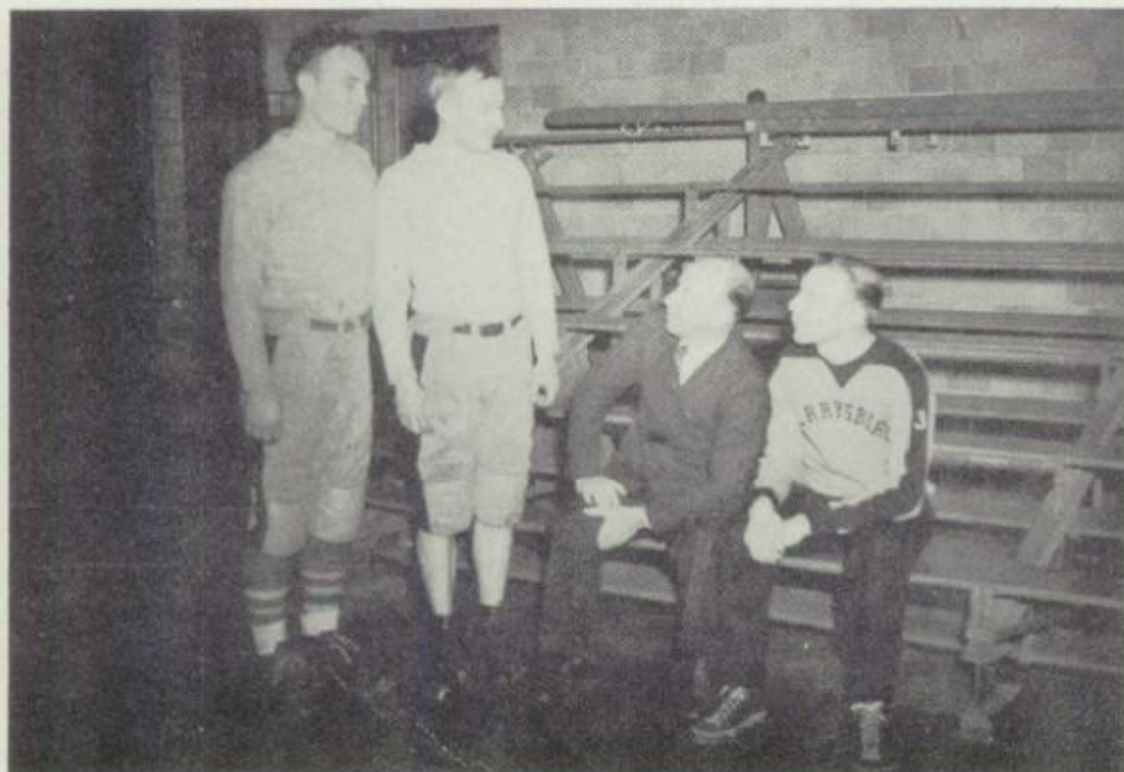

Back Row—Mr. Abke, G. Smith, V. Wambold, F. Grolle, N. Best, W. Schieder, H. Kopp.

RESERVE BASKETBALL

Each year a group of underclassmen are given an opportunity to tryout for basketball. From this group are selected those who seem to possess the natural abilities required for varsity ball. Many combinations are experimented with in the hope that a smooth-working, productive team will result.

Although the Sophomores and Juniors saw most of the action this year, replacements from the Freshmen made a fine showing.

The season was quite successful as the team won nine out of fifteen starts. The squad is to be commended for its cooperative, yet hard fighting attitude, which was always controlled by fair play and good sportsmanship. Thus another group of boys has learned to play better ball and be better men.

BOYS' INTRAMURAL CHAMPIONS

The intramural championship crown was won by Ray Coller's team the night of the gym exhibition. This team successfully competed with seven other fine teams and came out the champions by beating Gurtzweiler's team in the finals.

G. Smith, P. Schwind, L. Canfield, L. Jenson, D. Mandel, E. Failor, R. Coller, R. Cookson.

First Row—H. Semineu, L. Gurtzweiler, J. Hahn, R. Bauman, R. Shadle.
Back Row—R. Coller, R. Eckel, J. Volland.

BOYS' INTERCLASS CHAMPIONS

These senior boys ran rough-shod over all underclass opposition, to win the undisputed class championship. This marks the third time the class of '41 has captured this honor.

FOUL SHOOTING CHAMPION

For the second consecutive time, Dale Scheider won the foul shooting championship. In a brilliant performance the night of the gym exhibition, Dale, competing with Leon Davies, sank 41 out of 50. Another win means permanent possession of the cup. Good luck, Dale!

Dale Scheider

GIRLS' INTRAMURAL CHAMPIONS

These girls defeated all other competing teams to become the Championship Intramural Team of the year. The final game was played at the Gym Exhibition when they defeated the strong contenders captained by Martha Grimes.

Back Row—Dallas Hamic, Patricia Palmer, Marilyn Johnson, and Gladys Landrum.

Front Row—Virginia Sarver, Alice Sattler, captain, and Evelyn Emch.

Back Row—Eleanor Sabo, Maxine Spoerl, Darlene Ling, Lois Grolle, Dorothy Heilman.

Front Row—Viola Spilker, Kathryn Sattler, Janet Tobey, captain, Gladys Landrum, and Denise Honner.

GIRLS' INTERCLASS CHAMPIONS

One of the features of the Ghost Basketball Game was the thrilling game between the Junior Girls' Class Team and the Senior Girls' Class Team making the Junior Girls undisputed Interclass Champions of the year.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association has been an active club this year.

A splash party and potluck, sponsored by the G. A. A. and Girl Reserves, was held at the Y. M. C. A.

In January, another splash party was held

with just the G. A. A. members attending.

The group also had charge of the gym exhibition in which most of the girls participated.

In May, the organization sponsored the annual May Day program with a dance in the evening.

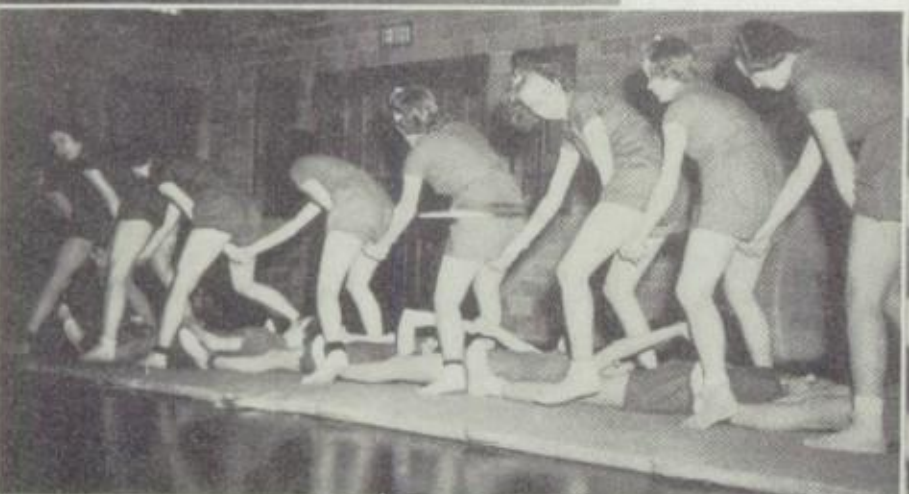

FOUL SHOOTING CONTEST CHAMPION

Dorothy Heilman competed with Angela Miller for the foul shooting championship at the gym exhibition held in the gym Friday, March 28.

The girls' championship was won by Dorothy Heilman by a score of 30 out of 50.

A cup was presented to the winner by the G. A. A.

The political economist tells us that credit indicates broadly the confidence which is reposed in the ability and purpose of men to meet future obligations.
